

Established in 1995, **DAY ON THE BENCH** is a program designed to give you and your staff an insider's look at a court in your district.

In a half-day visit and tour, **DAY ON THE BENCH** will provide:

- A behind-the-scenes look at court operations;
- Time to sit down with a judge and court staff to discuss court issues candidly; and
- A first-hand appreciation of court challenges and successes.

DAY ON THE BENCH's mission is to:

- Build effective working relationships between California's judiciary and Legislature;
- Effectively convey judicial branch issues through direct communications between judges, court leaders, and legislators; and
- Provide an opportunity for legislators and their staff to observe the magnitude, complexity, working conditions, and variety of responsibilities in the judicial branch.
