SECTION 1: INTRODUCTION

The Administrative Office of the Courts (AOC) is honored to undertake the construction of the New Yuba City Courthouse for the Superior Court of California, County of Sutter (Project). This is a complete ground up construction of a new 7-courtroom project of 78,700 building gross square feet (BGSF) The courthouse will be located in central Yuba City, Sutter County, California.

The AOC looks forward to safely completing the construction of the Project in partnership with each contractor engaged with us. Thank you for joining with us in this undertaking. Together, we will vastly improve access to justice for the people of Sutter County and California.

James E. Mullen CPCU, ARM
Senior Risk Manager

Administrative Office of the Courts

SECTION 2: OCIP OVERVIEW

The State of California acting by and through the Judicial Council of California and its administrative agency the Administrative Office of the Courts (AOC) has elected to implement an Owner Controlled Insurance Program (OCIP) for Enrolled Contractors providing direct labor at the Project Site. The information contained in this manual is a component part of each Contract under which a Contractor performs work at the Project Site, and does include elements of the insurance provisions also included in the general terms and conditions of each Contract.

The advantages of an Owner Controlled Insurance Program include:

- a) Uniform insurance protection;
- b) Extended Completed Operations coverage;
- c) Centralized safety, loss prevention and claims handling; and,
- d) Reduction of potential litigation between contractors.

- 2.1 All costs associated with the OCIP, except for the loss sharing provision provided for in the Contract, will be paid by the AOC. In consideration for its paying these costs, the AOC requires that each Contractor who may become enrolled in the OCIP shall **exclude** all insurance costs associated with the coverage provided by the OCIP in their bids for work under a Contract. At the time of bid each Contractor eligible to participate in the OCIP will have verified under penalty of perjury and the risk of reduction of their Contract value or termination of the Contract that the cost of insurance provided by the OCIP has been excluded from their bid.
- 2.2 Participation in the OCIP is mandatory for all Contractors working on the Project Site with exception of those specifically designated as Excluded Contractors.
- 2.3 Once a Contractor has been selected to perform work at the Project Site, they must provide the following documents prior to starting work at the Project Site:
 - 2.3.1 If the Contractor is to be enrolled in the OCIP the following are provided to the OCIP administrator:
 - a) The completed and signed OCIP Enrollment Form (as Exhibit 1);
 - b) Copies of its existing practice workers' compensation, and commercial general liability declarations pages and rating schedules;
 - c) Copies of the certificate(s) of insurance required for compliance with terms of the Contract and Section 7 of this Manual - Enrolled Contractor Required Insurance – Other Than OCIP Insurance
- 2.4 If a Contractor is not to be enrolled in the OCIP the following must be provided to the General Contractor:

2.4.1 Copies of the certificate(s) of insurance required for compliance with terms of the Contract and Section 10 of this Manual – Excluded Contractor Required Insurance

2.5 All of the required documents of Enrolled Contractors are to be emailed or faxed to the OCIP Administrator at:

OCIP Administrator
wrap_aoc@willis.com
Phone: (213) 685-6285
Fax: (213) 607-6295

2.6 All e-mail correspondence should include “New Yuba City Courthouse” on the subject line.

2.7 Online enrollment is available for Contractors. The General Contractor will need to contact the OCIP Administrator in order to obtain access to the WrapTrac system on behalf of the Contractor.

SECTION 3: PROGRAM DEFINITIONS

AOC	The State of California, acting by and through the Judicial Council of California and its administrative agency the Administrative Office of the Courts, is the Project owner and the entity that determines which insurance will be included in the OCIP and procures the policies and controls the OCIP insurance program.
General Contractor	Means the firm to which the AOC has awarded a contract for the successful construction of the Project, and the administration of the Construction Phase Services as set forth in the contract between the AOC and the awarded General Contractor
Contract	Means the general terms and conditions of the each contract for construction awarded by the AOC to the General Contractor at Risk, the CM at Risk to its subcontractors, and each subcontractor to their sub-subcontractor of every tier to perform work at the Project Site.
Contractor(s)	Means Contractors of every tier performing labor or services at the Project Site who are eligible to be enrolled in the OCIP. Suppliers that perform or subcontract installation, temporary labor services, and leasing companies providing direct labor may be enrolled in the OCIP at the discretion of the AOC. If not enrolled in the OCIP such Contractors would by definition, be an Excluded Contractor.
Enrolled Contractors	Contractors of every tier who have been awarded a Contract, who meet the OCIP enrollment requirements, and who have been issued a Certificate of Insurance by the OCIP Administrator.
Excluded Contractors	Means Contractors that are excluded from the OCIP who are contract haulers or truckers (or others merely making deliveries or pickups from the Project Site); vendors, suppliers (who do not perform or subcontract installation); material dealers; manufacturing representatives, equipment rental companies who perform equipment maintenance (does not apply to those who provide operators); architects, engineers, surveyors, soil testing contractors, and their consultants; asbestos abatement, or other hazardous materials remediation contractors (unless specifically enrolled); Contractors whose sole scope of work includes blasting and/or demolition; unless any of the above are enrolled in the OCIP by specific agreement with the insurer, and those Contractors or entities specifically excluded by The AOC and/or their representatives in their sole discretion, even if otherwise eligible or apparently eligible.

Owner Controlled Insurance Program (OCIP)

A consolidated master insurance and claim management program, under which Commercial General Liability, Workers' Compensation, Employers Liability, Excess Liability, Excess Products and Completed Operations Liability, Builders Risk, and Contractor's Pollution Liability insurance (and other specified coverage) are provided for all Enrolled Contractors, while performing operations at the Project Site.

Project, Project Site (Project Activities)

The project site known as the New Yuba City Courthouse, being constructed in Sutter County, CA, which has been designated by the AOC in the construction agreements between the AOC and the General Contractor, and has been scheduled with the OCIP insurance companies, including operations necessary or incidental to the Project being constructed in the state of California. Neither the Project Site nor the Project Activities shall include the Enrolled Contractor's regularly established workplace, plant, factory, office, shop, warehouse, permanent yards or other off-site locations of Contractors, even if such locations are for fabrication of materials to be used at the Project Site unless such off site location or activity has been specifically added to the definition of Project Site and has been accepted by the OCIP insurance companies as such.

SECTION 4: FREQUENTLY ASKED QUESTIONS

Is participation in the OCIP mandatory?

Yes, participation in the OCIP is mandatory but not automatic (see definition of Excluded Contractor). The AOC has decided that this will be an OCIP project and that Contractors must submit the appropriate enrollment forms and receive confirmation of enrollment, prior to performing work at the Project Site.

Do we have a deductible obligation in the event of a loss?

The OCIP program does contain a Loss Sharing provision wherein all Trade Contractors and their Subcontractors of every tier involved in a loss that would otherwise be insured under the terms and conditions of the OCIP commercial general liability and builders risk insurance, shall share equally in the first \$5,000 of such loss that arises from the performance of the work as reasonably determined by the Contractor.

Will there be an increase in my paperwork and administrative expenses which result from being part of this program?

Some Contractors have concerns about the additional administrative burden that can result from participating in an OCIP. The AOC and its OCIP Administrator will make the OCIP as contractor-friendly as possible. As noted in the OCIP Overview, upon award of a Contract each Enrolled Contractor must complete an OCIP Enrollment form, along with the necessary declarations and ratings pages from its existing practice worker's compensation, and commercial general liability insurance policies, Certificate(s) of Insurance and related endorsements required for compliance with terms of the Contract and Section 7 of this Manual - Enrolled Contractor Required Insurance – Other Than OCIP Insurance, of which samples are attached to this document. On a monthly basis each Enrolled Contractor will submit payroll reports due on the 10th day of the following month.

How often do I have to submit payroll reports to the OCIP Administrator?

On a monthly basis each Enrolled Contractor must submit payroll reports due on the 10th day of the following month. The OCIP Administrator will advise the General Contractor of all payrolls reported monthly for the Project. It's important that monthly payroll be reported consistently, as non-reporting or late-reporting can result in problems with the OCIP.

How do I get credit from my current insurance company for insurance provided by the AOC OCIP?

Make sure you segregate all payrolls reported to the OCIP Administrator for work on this Project. Also, provide your existing practice workers compensation and commercial general liability insurance company auditor with a copy of the OCIP Certificate of Insurance issued by the OCIP Administrator. This should be all the documentation you will need for your existing practice workers compensation and commercial general liability

insurance company to credit your policies for the exposures incurred as part of your work on this project and your participation in the OCIP.

Will this replace my current insurance coverage?

No. You must still maintain all your current insurance policies for the exposures not included in the OCIP, or for work that your company is doing away from the Project Site.

Does the Insurance Program cover Truckers, Vendors and Suppliers?

No. Contractors whose sole duties are as truckers are excluded from the program. Suppliers and vendors are also excluded from the program, unless added by specific exception. The definition of Excluded Contractors is provided in Section 3: Program Definitions of this document.

What if I do not report my insurance estimates and payrolls correctly?

As long as payrolls are reported regularly, any increases in the actual payroll reported that differ from the amount estimated as part of the bid may be adjusted at the end of the Enrolled Contractor's Contract.

Is travel time included in payroll?

No. Only work performed at the Project Site is covered under the OCIP.

Who is providing loss control services?

The General Contractor and each Contractor is responsible for Project Site safety. The OCIP insurer and the OCIP Administration Company as well as the AOC, will conduct random safety oversight inspections at the Project Site to augment the safety efforts of the General Contractor in ensuring compliance with all Project Site safety and security standards. These construction safety professionals will coordinate with the General Contractor and all Contractors' safety representatives to ensure compliance and promotion of a safe work environment at the Project Site. Each Contractor will be responsible to follow the requirements of the Construction Manager's Project Safety Program, which includes the minimum Project safety requirements established by the AOC in its Project Safety Guidance Manual. The AOC Project Safety Guidance Manual will be provided to each Contractor by the OCIP Administrator at the time the Contractor is enrolled into the OCIP as Exhibit 10 of this Manual.

Who will handle claims?

Claims will be handled by the OCIP insurance companies. All information on how to file claims is included in the OCIP Claims Manual, which will be provided to each Contractor by the OCIP Administrator at the time the Contractor is enrolled into the OCIP, as Exhibit 9 to this Manual.

How do I know the claims manager will be as aggressive as my insurance company?

The purpose of the OCIP is to consolidate the risk with a minimum number of insurance companies that all of whom have significant construction expertise. The OCIP Administration Company is responsible to the AOC and the Contractor with ensuring that claims administration procedures, loss reserves and claim payments are appropriate.

SECTION 6: OCIP INSURANCE COVERAGE

This Section provides a brief description of the insurance provided to Enrolled Contractors under the OCIP. Each Enrolled Contractor will need to refer to the actual insurance policies for details concerning coverage, exclusions, and limitations. While the OCIP is intended to provide uniform coverage and reasonable limits, the OCIP is not intended to meet all the insurance needs of the Enrolled Contractors. Each Enrolled Contractor and Excluded Contractor should discuss the OCIP with its insurance agent, broker, or consultant to assure that it maintains proper insurance coverage and limits of liability as required by the terms and conditions of the Contract under which either an Enrolled Contractor or an Excluded Contractor will provide work at or for the Project Site. Each Enrolled Contractor must notify its insurance agent or broker that the work performed on the Project Site will be insured under the OCIP. This is necessary as the Enrolled Contractors insurance agent or broker must inform the Enrolled Contractor's practice program insurers that the insurance coverages provided under the OCIP are primary on the Project Site.

6.1 Workers' Compensation and Employers Liability

(Off-site operations of a Contractor are excluded from the OCIP unless specifically added to the OCIP by endorsement)

Part One – Workers' Compensation

Statutory Limit

Part Two – Employers' Liability

Bodily Injury by Accident, each accident	\$1,000,000
Bodily Injury by Disease, each employee	\$1,000,000
Bodily Injury by Disease, policy limit	\$1,000,000

The insurance will include statutory coverage as required by the State of California and other jurisdictions where applicable, and each Enrolled Contractor will be issued a separate Workers' Compensation policy. The insurance will include coverage for US Longshoremen's & Harbors Workers Liability Act, will include a waiver of recovery or subrogation in favor of the Enrolled Contractor, and will include a specific endorsement designating that the insurance is applicable to the Project Site.

The payroll reported on the Payroll Reporting Form that is included as Exhibit 2, and the loss experience incurred on the Project Site will be reported to the California Workers' Compensation Insurance Rating Bureau (WCIRB) in the normal manner for use in calculating the Enrolled Contractor's future experience modifier. Consequently, the loss experience incurred for Enrolled Contractor operations conducted at the Project Site may potentially impact the Contractor's future insurance costs and further underscores the importance of compliance with the Project Safety Program.

6.2 Commercial General Liability

Commercial General Liability Insurance, which shall include coverage for liabilities arising out of premises, operations, independent contractors, products - completed

operations, personal and advertising injury, and liability assumed under an insured contract, for the Enrolled Contractor's operations performed at the Project Site (Off-site operations of a Contractor are excluded from the OCIP unless specifically added by endorsement) with limits not less than:

Limits of Liability (Shared by all Enrolled Contractors insured by OCIP on the Project)

Each Occurrence Limit	\$2,000,000
Personal Liability and Advertising Liability Limit	\$2,000,000
General Annual Aggregate	\$4,000,000
Products - Completed Operations Project Aggregate	\$4,000,000
Damages to Premises Rented to You Limit	\$500,000
Medical Expense Limit	\$10,000

The Products - Completed Operations insurance shall extend for 10 years after substantial completion of the Project, and the corresponding Project aggregate will not reinstate annually following substantial completion of the Project.

6.3 Excess Liability

Excess Liability insurance on a following form basis insuring against Bodily Injury and Property Damage, Products – Completed Operations, Personal and Advertising Injury, and other coverage as specified under Employers' Liability and Commercial General Liability above, for the Enrolled Contractor's operations performed at the Project Site (Off-site operations of a Contractor are excluded from OCIP unless specifically added by endorsement) with limits not less than:

Limits of Liability – (Shared by all Enrolled Contractors insured by the OCIP on the Project)

Each Occurrence Limit	\$50,000,000
Annual General Aggregate (reinstates annually)	\$50,000,000
Products - Completed Operations Project Aggregate	\$50,000,000

The Excess Products - Completed Operations Liability extends for 10 years after substantial completion of the Project, and the corresponding Project aggregate will not reinstate annually following substantial completion of the Project.

6.4 Builders Risk

Builder's Risk Insurance will be provided with limits of liability equal to the final completed value of the Project. The insurance will apply to physical loss or damage to the insured property and shall include coverage for Flood, Water Damage, Earthquake and Earth Movement. The coverage for Flood, Earthquake and Earth Movement will be provided with sub-limits of not less than \$10,000,000 per occurrence and \$10,000,000 project aggregate.

The Builder's Risk Insurance will cover work in the course of construction at the Project Site, at any temporary off-site location, and while in transit. Included within the terms of coverage shall be all buildings, materials, supplies, scaffolding, falsework, and temporary structures located at the Project Site that are to be used in or incidental to the fabrication, erection, testing, or completion of the Project. The Builder's Risk Insurance will also cover the cost of removing debris, including demolition as may be made necessary by the operations of any law, ordinance or regulation resulting from an insured loss.

The Builder's Risk Insurance policy does not cover loss to Contractor's tools, materials, machinery or equipment unless they are intended to become a permanent part of the insured project. Moreover, the insurance policy also excludes loss resulting from war and related causes, terrorism resulting from nuclear, biological or chemical materials, nuclear perils, dishonest acts of employees, mysterious disappearance, and ordinary wear and tear. The insurance policy will also exclude the cost of making good faulty workmanship or materials, but will specifically cover loss or damage arising as a consequence of faulty workmanship or materials.

6.5 Contractors Pollution Liability

Contractors Pollution Liability insurance written on an occurrence form with limits of liability not less than \$10,000,000 per occurrence and \$10,000,000 per project aggregate. Coverage will apply to the operations of Enrolled Contractors, asbestos abatement, or other hazardous materials remediation contractors. The policy will include coverage for claims for Bodily Injury or Property Damage, and remediation costs resulting from a pollution incident caused by or exacerbated by the performance of the Work at the Project Site.

6.6 Extension of Commercial General Liability Insurance for Warranty Work

The OCIP will continue to provide Commercial General Liability insurance covering claims or lawsuits, which result from warranty work undertaken by Enrolled Contractors at the Project Site for a period of 24 months after the Enrolled Contractor's coverage under the OCIP is terminated at the conclusion of the work at the Project Site. This extension of coverage shall not extend the Products Completed Operations Liability insurance past the ten (10) year period after substantial completion of the Project. Any injuries to Enrolled Contractor employees while completing any warranty work shall be covered under the Enrolled Contractor's Worker's Compensation practice policy.

6.7 Evidence of Insurance

Certificates of Insurance will be issued to each Enrolled Contractor by the OCIP Administrator evidencing Workers Compensation, Employers Liability, Commercial General Liability, Excess Liability, Builders Risk, and Contractor's Pollution Liability insurance.

The Enrolled Contractor agrees to be bound by the terms and conditions of the OCIP insurance policies. Redacted copies of the OCIP master insurance policies will be available for review and copying in electronic format.

6.8 Contract Termination

Upon completion of all its work at the Project Site, each Enrolled Contractor whose practice insurance policies have been endorsed with a Designated Workplace Exclusion Endorsement should advise their insurance broker/agent of the completion of their work at the Project Site and request this endorsement be deleted from their policies. The endorsement must be deleted prior to any Enrolled Contractor undertaking warranty work at the Project Site that is outside the 24 month warranty work extension period provided by the OCIP.

6.9 OCIP Loss Sharing (General Liability and Builders Risk)

All Trade Contractors and their Subcontractors of every tier involved in a loss that would otherwise be insured under the terms and conditions of the OCIP commercial general liability and builders risk insurance, which arises from the performance of the work as reasonably determined by the Contractor, shall share equally in the first \$5,000 of such loss.

6.10 Multiple Contracts

Enrolled Contractors with more than one Contract to perform work at the Project Site must complete a separate Enrollment Form for each Contract that it has been awarded. The Contractor will remain insured under the OCIP until the last Contract is terminated.

6.11 OCIP Termination/Modification

The AOC reserves the right to terminate or to modify the OCIP or any portion thereof. Should the AOC terminate the OCIP then the AOC will provide ninety (90) days advance written notice of termination or material modification to each Enrolled Contractor that is insured by the OCIP. Upon notice of termination or material modification of the OCIP each Enrolled Contractor will promptly obtain appropriate replacement insurance coverage acceptable to the General Contractor and the AOC. Written evidence of such replacement insurance must be provided to the General Contractor and the AOC prior to the effective date of the termination or modification of the OCIP coverage. The reasonable cost of such replacement insurance shall be reimbursed to the Enrolled Contractor by the General Contractor through additive change orders from funds provided by the AOC.

SECTION 7: ENROLLED CONTRACTOR REQUIRED INSURANCE - OTHER THAN OCIP INSURANCE

In addition to the insurance provided by the OCIP, each Enrolled Contractor is required to maintain, at its own expense and for the duration of its Contract, the following insurance provided on an occurrence basis by an insurance company or companies that are rated "A-,VII" or higher by A. M. Best's key rating guide and are authorized to do business in the State of California. This insurance must be maintained to protect the Enrolled Contractor from project-related, off-site exposures. The limits of liability shown below are minimum limits and are not intended to limit the Enrolled Contractors' liability under the terms and conditions of the Contract.

7.1 Workers' Compensation and Employers Liability

Workers Compensation insurance for all of the Enrolled Contractor's off Project Site employees engaged in the performance of work associated with the construction of the Project, but not insured by the OCIP, with limits of not less than:

Part One – Workers' Compensation

Statutory Limit

Part Two – Employers' Liability

Bodily Injury by Accident, each accident	\$1,000,000
Bodily Injury by Disease, each employee	\$1,000,000
Bodily Injury by Disease, policy limit	\$1,000,000

The policy must be endorsed to include a Waiver of Subrogation in favor of the General Contractor, the State of California, the Judicial Council of California, the Administrative Office of the Courts, and their respective elected and appointed officials, judges, officers, employees and agents, and other entities, as required by Contract. A copy of the Waiver of Subrogation endorsement must be attached to the Enrolled Contractors' Certificate of Insurance (sample provided as Exhibit 5).

7.2 Commercial General Liability

Commercial General Liability Insurance, which shall include coverage for liabilities arising out of premises, operations, independent contractors, products and completed operations, personal and advertising injury, and liability assumed under an insured contract, for the Enrolled Contractor's premises and operations located away from the Project Site (other than off Project Site locations approved for inclusion under the OCIP), including Products Liability for any product manufactured, assembled or otherwise worked upon away from the Project Site, with limits not less than:

Each Occurrence Limit	\$1,000,000
Personal Liability and Advertising Liability Limit	\$1,000,000
General Aggregate	\$2,000,000
Products/Completed Operations Aggregate	\$2,000,000

Insurance will be provided on an occurrence basis and shall be endorsed to include:

- a) a Waiver of Subrogation endorsement in favor of the General Contractor, the Judicial Council of California, the Administrative Office of the Courts, and their respective elected and appointed officials, judges, officers, employees and agents, and other entities; (sample endorsement provided as Exhibit 6); and
- b) a Designated Workplace Exclusion;

The Enrolled Contractor shall be responsible for and may not recover from the State of California, the Judicial Council of California, or the Administrative Office of the Courts any deductible or self-insured retention that is connected to the insurance required under its Contract with respect to off Project Site exposures.

If an Enrolled Contractor chooses to have its practice policy endorsed to include the Project Site during the construction period, coverage for the Enrolled Contractor shall be on an Excess and/or Difference-In-Conditions basis with respect to the OCIP insurance. Inclusion of the Project Site on the Enrolled Contractor's insurance policy shall not replace the OCIP insurance or otherwise affect the cost identification requirements described in the Enrolled Contractors Contract and this OCIP Manual. Any cost associated with coverage provided by the OCIP under the Enrolled Contractors practice policy may not be included as a direct cost of work at the Project Site.

7.3 Automobile Liability Insurance

Automobile Liability insurance to cover the ownership, maintenance, use, loading and unloading of all vehicles owned, hired or used by, or on behalf of, the Enrolled Contractor on or away from the Project Site. Such insurance will provide coverage not less than that of the standard Commercial Automobile Liability insurance policy with limits of not less than:

Combined Single Limit (Each accident) **\$1,000,000**

The insurance shall be endorsed to include:

- a) the General Contractor, the State of California, Judicial Council of California, the Administrative Office of the Courts, and their respective elected and appointed officials, judges, officers, employees and agents, and other entities as Additional Insureds using Auto Designated Insured Endorsement ISO CA 20 48 02 99, or equivalent (sample provided as Exhibit 7);
- b) a waiver of subrogation endorsement in favor of the General Contractor, the Judicial Council of California, the Administrative Office of the Courts, and their respective elected and appointed officials, judges, officers, employees and agents, and other entities; using Auto Waiver of Subrogation Endorsement ISO CA 04 44 03 10, or equivalent (sample attached as Exhibit 8); and,

- c) if hazardous materials or waste are to be transported, the Commercial Automobile Liability policy will be endorsed with the MCS-90 Financial Responsibility for Motor Carriers endorsement in accordance with the applicable legal requirements.

7.4 Umbrella/Excess Liability

If necessary to comply with the insurance requirements of its Contract Umbrella/Excess Liability insurance, insuring against Bodily Injury and Property Damage, Personal and Advertising Injury, Products – Completed Operations, and all other coverage as specified above (Employers' Liability, Commercial General Liability and Commercial Automobile Liability). The limits of liability shall not be less than the amount required to meet the insurance requirements for off Project Site related Commercial General Liability, Automobile Liability and Employers Liability as stated in the Enrolled Contractor's Contract, and shall include underlying Commercial General Liability, Business Automobile Liability, and Employers' Liability follow-form wording.

7.5 Contractor's Equipment

All enrolled contractors shall provide coverage for their own tools, materials, machinery and equipment unless they are intended to become a permanent part of the insured project.

7.6 Certificates of Insurance

All Enrolled Contractors shall maintain the required insurance without interruption from the date of commencement of work until termination of its work at the Project Site as provided for under the terms and conditions of its Contract. All Enrolled Contractors shall provide the General Contractor and the OCIP Administrator with Certificates of Insurance evidencing the coverage, limits, and endorsements to the insurance policies required under this Section 7 are in full force and effect prior to commencement of work on the Project Site. (Sample Certificate of Insurance provided as Exhibit 4). The AOC reserves the right to request copies of specific policies and/or endorsements.

Enrolled Contractors must provide the OCIP Administrator with updated Certificates of Insurance and associated endorsements when policies are renewed or are replaced.

7.7 Notice of Cancellation

The required insurance policies shall specifically provide a written thirty (30) day notice of cancellation, non-renewal or material change to the OCIP Administrator. The Certificate of Insurance need not provide evidence of this 30 day notice; however, the Enrolled Contractor must notify the General Contractor and the OCIP Administrator of any cancellation, non-renewal or material change to the Enrolled Contractors insurance policies.

7.8 Survival

The insurance requirements described in the OCIP Manual are not intended to, and shall not in any way limit or quantify the liabilities and obligations each Enrolled Contractor assumes pursuant to its Contract. The insurance requirements set out in

this Manual are a restatement and explanation of the requirements set forth in the Contract under which the Enrolled Contractor will perform work at the Project Site.

7.9 No Release

The AOC's procurement and provision of the OCIP shall in no way relieve the Enrolled Contractor of any responsibility or liability under its Contract, any applicable law, statute, regulation or order, except the responsibility of securing the OCIP coverages if, and commencing when, the bidding contractor becomes an Enrolled Contractor.

SECTION 8: CONTRACTORS' RESPONSIBILITIES

8.1 Enrollment Process

Upon notice of an award to perform work at the Project Site the eligible Contractor shall provide the following documents to the OCIP Administrator prior to any work being performed at the Project Site.

- a) **OCIP Enrollment Form** – Complete and submit the OCIP Enrollment Form included as Exhibit 1 in this document.
- b) **Policy Declaration Pages** – Copies of its Workers' Compensation and Commercial General Liability insurance policy declarations pages and rating schedules. If Contractor is on a large deductible or large retention program, we will accept a letter from their insurance broker or actuary disclosing the loss-cost rates for their retained portion in addition to their insurance rates.
- c) **Certificates and Endorsements** –Certificates of Insurance, along with copies of endorsements, verifying that the insurance required of the Contractor, as more fully explained in Section 7 is in full force and effect at the time the Contractor starts work at the Project Site.

NOTE: Specimen Certificate of Insurance and applicable endorsements for Contractor Required Insurance including Commercial General Liability, Workers' Compensation/Employers Liability for Project-Related Off-Site Operations, and Automobile Liability (Exhibits 4 through 8.) are provided in the Appendix. The Contractor should provide the sample documents to its insurance agent/broker for review to ensure its compliance with its Contract.

8.2 Enrolling and Administrating Subcontractors

All Contractors are required to cooperate with the AOC, the OCIP Administrator, and the OCIP insurance companies in all aspects of the OCIP administrative process. If a Contractor will be completing some or all of its work at the Project Site through subcontractors then it must:

- a) Include OCIP terms, conditions and requirements in all of its subcontract documents;
- b) Notify the OCIP Administrator of any subcontract awarded.
- c) Maintain a record of all subcontracts entered into to provide work at the Project Site, and confirm and retain data as respects receipts, labor-hours, or payments made to subcontractors as required by the OCIP.
- d) Ensure that each subcontractor is provided with a copy of this OCIP Manual and any Project Safety Manuals (Project Safety Manual provided as Exhibit 10).

- e) Assist each subcontractor in securing the required OCIP enrollment and/or payroll/premium information, and making sure that the subcontractor, if eligible, becomes an Enrolled Contractor as described in this OCIP Manual.
- f) Ensure each subcontractor complies with Section 7, Enrolled Contractor Required Insurance or Section 10, Excluded Contractor Insurance, The Claims Reporting Procedures contained in Appendix Exhibit 9 OCIP Claims Manual and Exhibit 10 OCIP Project Safety Program Manual.
- g) Inform each subcontractor of its responsibility to promptly pay any loss sharing contributions arising from the performance of work at the Project Site.
- h) Ensure that the subcontractor attends all meetings, as required, regarding OCIP administration, claims or safety issues.
- i) Stress to each subcontractor, who is an Enrolled Contractor, of its responsibility to accurately report its payroll.
- j) Complete the following administrative forms as referenced in this section 8 and items i and ii below, and ensure that each of their subcontractors that is an Enrolled Contractor does likewise, within the time frames specified below:
 - i. Payroll Reporting Form (Exhibit 2) – By the 10th day of each month provide the OCP Administrator with the required payroll reports; and
 - ii. Notice of Completion (Exhibit 3) – Provide the OCIP Administrator the Notice of Completion upon completion of work at the Project Site.

8.3 Assignment of Return Premiums

The AOC will be responsible for payment of all insurance related costs charged by insurers providing the OCIP and will be the sole recipient of any dividend(s), and/or return premium(s) generated by the OCIP. In consideration of AOC's provision of OCIP coverage, each Enrolled Contractor agrees to:

- a) Confirm with the OCIP Administrator that all applicable insurance costs associated with their work at the Project Site for insurance provided under the OCIP were removed from their bid by executing and delivering the OCIP Enrollment Form (attached as Exhibit 1).
- b) Irrevocably assign to, for the sole benefit of, the AOC all return premiums, premium refunds, premium discounts, dividends, retentions, credits and any other funds in connection with the OCIP by executing and delivering the OCIP Enrollment Form (attached as Exhibit 1).

Enrolled Contractors further agree to require each lower tier subcontractor to execute the OCIP Enrollment Form (attached as Exhibit 1).

Excluded Contractors agree to provide the General Contractor with certificates of insurance as evidence that the insurance required under Section 10. Excluded Contractors Required Coverage is in full force and effect.

SECTION 9: OCIP ENROLLMENT PROCEDURES

9.1 Completion of Enrollment Form

Each Enrolled Contractor working at the Project Site shall complete the OCIP Enrollment Form (included as Exhibit 1). In completing the Enrollment Form the Enrolled Contractor should seek the assistance of its insurance agent/broker.

- g) All Enrolled Contractors must make their payroll records available upon the request of the AOC, OCIP Administrator, or an auditor representing an OCIP insurance company.

9.4 California Worker's Compensation Insurance Rating Bureau

All payrolls will be reported according to the definition of subject workers compensation payroll as established by the California Worker's Compensation Insurance Rating Bureau (WCIRB), which is:

When determining the basis of premium, the following are included as payroll: gross wages; salaries; commissions; all bonuses; most profit sharing; vacation, holiday and sick pay; overtime ("straight time" portion only); the market value of gifts; and automobile allowances (less reimbursement for documented expenses). The following items are excluded from payroll when determining the basis of premium: Items such as meals or lodging (unless the classification phraseology specifically includes them or unless they are provided in lieu of wages); tips; overtime excess pay (the increase above the regular hourly wage); severance pay (except for accrued vacation, sick pay, commissions, and bonuses); employer contributions to qualified insurance, stock, or retirement plans; stock options; and the value of an automobile furnished to an employee. In addition, the following are not included as payroll for premium computation: employee discounts for merchandise; meals provided at no charge at the work location; residual payments for commercials; or a uniform allowance.

9.5 Closeout Process

- a) When an Enrolled Contractor makes a request for final payment to the Awarding Contractor under the terms of its Contract, it shall also notify the OCIP Administrator.
- b) The OCIP Administrator will provide the Enrolled Contractors with close-out forms and notify the AOC, the General Contractor, and if the Enrolled Contractor is a subcontractor the originating Contractor of the closeout notification to the Enrolled Contractor.

SECTION 10: EXCLUDED CONTRACTOR REQUIRED INSURANCE

All Excluded Contractors are required to maintain, at their own expense and for the duration of their Contract the following insurance. This insurance must be maintained to protect the Excluded Contractor for all operations performed at the Project Site, at locations incidental thereto and at their regular premises or yard. The limits shown below are minimum limits and are not intended to limit the Excluded Contractor's liability. Proof of such insurance must be provided to the General Contractor prior to the Excluded Contractor starting work at the site, and current proof must be provided to the General Contractor throughout their performance of the of work.

10.1 Workers' Compensation and Employers Liability

The limits of liability shall not be less than the amount required to meet the insurance requirements for Commercial General Liability, Automobile Liability and Employers Liability required under the terms and conditions of the Excluded Contractor's Contract, and shall include underlying Commercial General Liability, Business Automobile Liability, and Employers' Liability follow-form wording.

10.5 Certificates of Insurance

All Excluded Contractors shall maintain the required insurance without interruption from the date of commencement of work until termination of its work at or away from the Project Site as provided for under the terms and conditions of its Contract. All Excluded Contractors shall provide the General Contractor with Certificates of Insurance evidencing the coverages, limits, and amendments to the required insurance policies prior to commencement of work on the Project Site. Coverage must be with an insurance carrier having an A-VII rating or higher from A.M. Best. The AOC reserves the right to request copies of specific endorsements.

10.6 Notice of Cancellation

All insurance policies and/or Certificates of Insurance required under this Section 10 shall specifically provide for written thirty (30) day notice of cancellation for non-renewal or material change to the General Contractor. The Certificates of Insurance need not provide evidence of this 30 day notice; however, the Excluded Contractor must notify the General Contractor and the OCIP Administrator of any cancellation, non-renewal or material change to the Excluded Contractors insurance policies.

10.7 Survival

The insurance requirements described in the OCIP Manual are not intended to, and shall not in any way, limit or quantify the liabilities and obligations each Excluded Contractor assumes pursuant to its Contract. The insurance requirements set out in this Manual are a restatement and explanation of the requirements set forth in the Contract under which the Excluded Contractor will perform work at the Project Site.

10.8 Project Site Safety

Unless otherwise directed by the General Contractor, all Excluded Contractors will be required to participate in the OCIP Project Safety Program. These exhibits will provide detailed instructions as respects claims reporting and OCIP-sponsored, project safety oversight, including the requisite incident reporting forms and corrective action checklists.

It is extremely important to accurately estimate payrolls anticipated for this contract. In California gross payroll is reported and includes sick, vacation, holiday pay, overtime wages ("straight time" portion only) and imputed income. Overtime means those hours in excess of 8 hours worked each day, 40 hours in any week or on Saturdays, Sundays, or holidays, when there is an increase in the hourly rate to work such hours. Hours should be shown on overtime.

The above is a true and complete statement of the entire remuneration of services rendered by employees of the company shown above.

(Ed. 4-84)

WAIVER OF OUR RIGHT TO RECOVER FROM OTHERS ENDORSEMENT-CALIFORNIA

We have the right to recover our payments from anyone liable for an injury covered by this policy. We will not enforce our right against the person or organization named in the Schedule. (This agreement applies only to the extent that you perform work under a written contract that requires you to obtain this agreement from us.)

You must maintain payroll records accurately segregating the remuneration of your employees while engaged in the work described in the Schedule.

The additional premium for this endorsement shall be _____% of the California workers' compensation premium otherwise due on such remuneration.
