1. Process

Any court that orders services under this Master Agreement must enter into a Participating Addendum ([Appendix E](#)) and place work orders for the Services using Work Authorization Form ([Appendix F](#)). Appendix F, provided by the Establishing JBE, can be customized for Participating JBEs based on their service needs. Appendix A of the Master Agreement, section 2.1 discusses the work order process.

2. Participating Addendum

Each Participating Addendum is a separate, independent contract between the Contractor and the entity entering into the Participating Addendum, subject to the following:

- (i) Each Participating Addendum is governed by the Master Agreement, and the terms of the Master Agreement are incorporated into each Participating Addendum;
- (ii) a Participating Addendum may not alter or conflict with the terms of the Master Agreement, or exceed the scope of the services provided for in the Master Agreement; and
- (iii) the term of a Participating Addendum may not extend beyond the expiration date of the Agreement.

3. Create Work Order Request

After the Participating Addendum (Appendix E of the Master Agreement) has been signed by the court and the Contractor, the court should use Work Authorization Form (Appendix F) to place work order and send via email to Humanscale contact person, Ola Sinelnikova. The court can create a purchase order to encumber the funds. The Header Text of the purchase order should include language such as “This purchase order is for the purpose of ordering ergonomic assessment services against the Judicial Council Master Agreement No. **MA-SF202101** and the Participating Addendum signed by the court on _____.” The purchase order must indicate the dates and times that the onsite/remote ergonomic assessment services are required and any other pertinent details.
