### **Council to Receive SEC Report and an Update on the Judicial Branch Budget**

The council will also hear a report from Jody Patel, the Interim Administrative Director of the Courts, on changes that have already been made at the AOC and changes that are in progress.

The council will also hear a status report on the state budget for the 2012-2013 fiscal year and its implications for the judicial branch. Other items include:

**Report for Council's Internal Committee on Technology (CCMS update):** On March 27, the council directed its CCMS Internal Committee to develop timelines and recommendations for terminating CCMS V4 as a statewide technology project and to establish an approach for technology in the courts, which included potentially leveraging CCMS technology. The council will receive an update from the committee on its efforts.

**San Joaquin Court Assistance Review Team Report of Recommendations:** The council will consider recommendations, and responses provided by the Superior Court of San Joaquin County, for how the court could reduce costs and increase revenue to minimize future requests for emergency funding.
