based on 1st and
2nd quarter 2015
(approximate)

Operational benefits

Printing & Postage Fees		128,000
TOTAL	-	128,000.00

Intangible benefits

Improved Customer Service

The response process is faster and more convenient for prospective jurors .

Prospective jurors are no longer required to mail the biographical information questionnaire back to the court.

Operational Efficiencies

Court staff no longer needs to do manual entry of the biographical information questionnaire data where potential juror has provided through eJuror web site.

Backlog manually entering biographical data has been eliminated.
