^AThese courts do not distinguish between petitions for resentencing and applications for reclassification for all reporting periods. Both are reported under petitions for resentencing.

Notes:

These data reflect filings/cases, not individual persons, and may vary due to revision/corrections in subsequent reports. The final disposition of these filings is not reported to the Judicial Council. Not all courts have been able to provide data for every reporting period.

These data are now being reported twice a year, rather than quarterly as in the past.
