**Subject:** Comments re SEC Report  
**Date:** Friday, June 29, 2012 5:08:16 PM

---

I strongly support the recommendations of the SEC, particularly the recommendations made by that committee regarding the Judicial's Council's executive role vis a vis the AOC, and urge that the Judicial Council adopt all of its recommendations as expeditiously as possible.  
Thank you for your consideration.  
Judge Barry
