Subject: SEC Recommendations
Date: Thursday, July 19, 2012 2:08:53 PM

I am certainly in favor of adopting the recommendations that will restore more local control and provide greater transparency. However, I do not think there should be a wholesale abolishment of ALL of the agencies/committees of the AOC. I particularly feel that the committees dealing with diversity/community outreach should remain intact and that any needed adjustments or changes can be internally made by those committees. Kelvin D. Filer
