Subject: Comments on SEC report
Date: Wednesday, July 25, 2012 12:14:45 PM

To the extent that the comment period is still open for the SEC report, I would like to say that I oppose any wholesale adoption of the report. The SEC was not authorized to implement its recommendations: that duty is reserved to the Judicial Council. I would expect that the Judicial Council would exercise its prerogative, and obligation, to examine the recommendations in light of the best interests of the branch, rather than merely approving them without critical analysis.
