

MEMORANDUM

TO: The Chief Justice and Members of the Judicial Council

CC: Judge Lee Smalley Edmon

FROM: Commissioner Mary Lou Katz, Los Angeles Superior Court

DATE: July 13, 2012

SUBJECT: SEC Report

I write to voice my strong support for the immediate implementation of each and every one of the recommendations in the recent report by the Strategic Evaluation Committee following its review of the Administrative Office of the Courts. In my view these reforms are long overdue.
