Subject: SEC Report
Date: Sunday, July 22, 2012 11:45:02 AM

I commend the SEC for their honest and thoughtful report. They have shown true leadership in this endeavor. I support their recommendations and believe the best hope for our judicial branch lies in implementing these recommendations decisively and without delay. I also support the comments of the Los Angeles Superior Court.

Holly E. Kendig
Judge, Los Angeles Superior court
