

From: Judge Bruce F. Marrs
To: Invitations
Subject: SEC Report
Date: Tuesday, July 17, 2012 11:21:32 AM

In view of the thoughtful and well reasoned recommendations presented by the SEC committee following their in depth review of the AOC I concur with the comments by Judge, Lance Ito, Dan Oki, Chas. McCoy and others; I strongly, specifically and respectfully request immediate implimentation of ALL of the recommendations in the SEC report forthwith.

The need for reform is long overdue.
