Subject: SEC Report on the AOC
Date: Sunday, July 22, 2012 2:17:22 PM

Thanks to each member of the Strategic Evaluation Committee for the comprehensive review and incisive analysis set forth in the SEC Report regarding the working of the Administrative Office of the Courts over the past several years. The SEC has earnestly done what it was charged to do. I join with many others across the State of California in calling on the Judicial Council to implement the recommendations of the SEC Report. Thank you for your anticipated attention.
