*Re: Semiannual Report on Contracts for the Judicial Branch for the  
Reporting Period of July 1 through December 31, 2019, as required under  
Public Contract Code section 19209*

Dear Senator Mitchell and Ms. Howle:

Pursuant to the requirements under Public Contract Code section 19209, the Judicial Council is submitting the attached report on new contracts, contract payments to vendors from judicial branch entities, and amendments to those contracts during the reporting period July 1 through December 31, 2019.

During the current reporting period, the Judicial Council is reporting 17,469 payments representing \$227.7 million associated with 8,379 contracts.

Due to the current configuration of the state's FISCAL system, the attached non-superior court contract report does not identify whether a contract has been amended in the reporting period and does not consistently identify the duration or nature of the amendment per the statutory requirements.

Hon. Holly J. Mitchell  
Ms. Elaine M. Howle

The Judicial Council is working collaboratively with the Department of FI\$Cal to resolve these issues. We expect the necessary system reporting changes to be implemented by the end of the current reporting period (June 2020).

**Report Title:** *Semiannual Report on Contracts for the Judicial Branch for the Reporting Period of July 1 through December 31, 2019*

**Summary Citation:** Public Contract Code section 19209

**Date of Report:** February 1, 2020

The Judicial Council has submitted a report to the Legislature in accordance with Public Contract Code section 19209. The following summary of the report is provided under the requirements of Government Code section 9795.

The Judicial Branch Contract Law (JBCL), enacted March 24, 2011, requires judicial branch entities to comply with the provisions of the Public Contract Code applicable to state agencies and departments related to the procurement of goods and services. It applies to all contracts entered into or amended by branch entities on or after October 1, 2011.

The JBCL also requires the Judicial Council (beginning in 2012) to report to the Joint Legislative Budget Committee and the State Auditor semiannually on contracting activities by judicial branch entities. The reports contain specific information, including details about payments received by vendors and contractors and their associated contracts, contract amendments entered into by judicial branch entities with vendors or contractors, and the nature of the services or goods provided under the reported contracts and amendments.

During the current reporting period, the Judicial Council is reporting 17,469 payments representing \$227.7 million associated with 8,379 contracts.

Due to the current configuration of the state's FI\$Cal system, the attached non-superior court contract report does not identify whether a contract has been amended in the reporting period and does not consistently identify the duration or nature of the amendment per the statutory requirements. The Judicial Council is working collaboratively with the Department of FI\$Cal to resolve these issues. We expect the necessary

system reporting changes to be implemented by the end of the current reporting period (June 2020).

The reports also exclude payments and contract amendment information that are statutorily restricted or excluded from reporting, information subject to any statutory restrictions on disclosure to third parties, and information on capital cases in active litigation.

This report covers the period of July 1 through December 31, 2019. The report lists contracts associated with these payments, as well as contracts with amendments.

The full report can be accessed at [www.courts.ca.gov/7466.htm](http://www.courts.ca.gov/7466.htm). A printed copy of the report may be obtained by contacting Mr. Doug Kauffroath, Director, Branch Accounting and Procurement, at 916-263-2872 or [doug.kauffroath@jud.ca.gov](mailto:doug.kauffroath@jud.ca.gov).

## **Introduction**

The Judicial Council submits this report to the Joint Legislative Budget Committee and the California State Auditor under Public Contract Code section 19209 to provide information related to procurement of contracts for the judicial branch. The report includes a list of vendors and contractors as required by Public Contract Code section 19209(b). The report further identifies the amounts of payments to the contractors and vendors, the types of services and goods provided, and the judicial branch entity or entities with which the contractors and vendors contracted to provide those goods and services. The report summary also includes a list of all amended contracts as required by Public Contract Code section 19209(c), identifying the vendors, contractors, and types of services and goods provided under the contract, including any changes to the contract value, type of services or goods, or contract. Judicial branch entities include the Supreme Court, Courts of Appeal, superior courts, Habeas Corpus Resource Center, and Judicial Council.

### **Contracts included in the report**

The operative date of the Judicial Branch Contract Law (JBCL) is October 1, 2011, and only contracts entered into or amended after that date are included in this report. The report is developed semiannually, covering the six-month periods from January 1 through June 30 and July 1 through December 31. This report covers the period from July 1 through December 31, 2019.

### **Contracts excluded from the report**

Public Contract Code section 19204(c) provides that the JBCL “does not apply to procurement and contracting by judicial branch entities that are related to trial court construction, including, but not limited to, the planning, design, construction, rehabilitation, renovation, replacement, lease, or acquisition of trial court facilities.” This section also states that the JBCL “shall apply to contracts for maintenance of all judicial branch facilities that are not under the operation and management of the Department of General Services.” Appropriate exclusions and inclusions based on the above subsections have been made in this report.

Also excluded from the report are the following contracts, which are unique to the superior courts and not subject to the JBCL:

- Contracts (often referred to as memorandums of understanding) between a superior court and the sheriff for court security services;
- Contracts between a court and a court *reporter*, when the court reporter provides services as an independent contractor; and
- Contracts between a court and a court *interpreter*, when the court interpreter provides services as an independent contractor.

## **Non-Superior Court Data**

In July 2018, the judicial branch implemented the Financial Information System for California (FI\$Cal) for all entities other than the superior courts. The entities on FI\$Cal include the Supreme Court, Courts of Appeal, Habeas Corpus Resource Center, and Judicial Council. (Superior court data are on the Phoenix System.)

The Department of FI\$Cal maintains transparency websites, eProcure, and Open FI\$Cal for all state agencies. As of January 2019, the judicial branch information is available for viewing on the FI\$Cal websites. Users can see all procurement transactions and historical payment data older than 60 days on FI\$Cal.

Along with data from other state departments, procurement and payment transactions for the Supreme Court, Courts of Appeal, Habeas Corpus Resource Center, and Judicial Council of California are available online, where summary or detailed data can be downloaded into an Excel format.

- Procurement transactions are available on the California eProcure website at [https://suppliers.fiscal.ca.gov/psc/psfpd1/SUPPLIER/ERP/c/ZZ\\_PO.ZZ\\_SCPRSI\\_CMP.GBL?FolderPath=PORTAL\\_ROOT\\_OBJECT.ZZ\\_FISCAL\\_SCPRS.ZZ\\_SCPRSI\\_CMP\\_GB&IsFolder=false&IgnoreParamTemp=FolderPath%2cIsFolder](https://suppliers.fiscal.ca.gov/psc/psfpd1/SUPPLIER/ERP/c/ZZ_PO.ZZ_SCPRSI_CMP.GBL?FolderPath=PORTAL_ROOT_OBJECT.ZZ_FISCAL_SCPRS.ZZ_SCPRSI_CMP_GB&IsFolder=false&IgnoreParamTemp=FolderPath%2cIsFolder). The judicial branch's department number is 0250. Date ranges can be used on the site to limit the volume of information returned.
- Payment transactions are available on the State of California transparency website at <https://fiscalca.opengov.com>. All the entities listed above are included under the judicial branch portion of data. Date ranges can be entered at the top of the page to limit the volume of information returned.

Due to the current configuration of the state's FI\$Cal system, the attached non-superior court contract report does not identify whether a contract has been amended in the reporting period and does not consistently identify the duration or nature of the amendment per the statutory requirements. The Judicial Council is working collaboratively with the Department of FI\$Cal to resolve these issues. We expect the necessary system reporting changes to be implemented by the end of the current reporting period (June 2020). For this report, we extracted the following reports from FI\$Cal:

- *Supreme Court, Courts of Appeal, Habeas Corpus Resource Center, and Judicial Council Contract Report*; and
- *Supreme Court, Courts of Appeals, Habeas Corpus Resource Center, and Judicial Council Payment Report*.

## **Superior Court Data**

The information that relates to superior court contracting is extracted from the Phoenix Financial System. This information includes the:

- *Trial Court Payment Report*; and
- *Trial Court Contract Report*.

On the contract report, the goods/services are not being identified on contracts that were amended if the goods/services did not change. The Judicial Council is aware of this issue and are working on report configuration changes. We expect the necessary system report changes to be implemented by the end of the current reporting period (June 2020).

Table 1 explains the format of the reports and describes the data elements.

<sup>1</sup> All JBEs within FI\$Cal are identified under the 0250 Department Code.

<sup>2</sup> The Judicial Council of California is engaged with FI\$Cal to enhance reporting capabilities to include the nature, duration, and cost of amendments.

## **Report Information**

### ***Trial Court Contract Report***

The Phoenix Financial System is not configured to collect information about contracts in a manner that precisely matches the statutory reporting requirements. Below are some key factors to consider when reviewing the contract data related to the superior courts:

- The *Trial Court Contract Report* includes all contracts and amendments completed within the reporting period because including all contracts is more cost-effective than developing a report that includes distinct contracts for only the vendors who received more than one payment in the reporting period. “Vendor” is used synonymously with “contractor” in the report.
- Goods/Services descriptions are determined by the general ledger account(s) entered in the system.
- The only amendment descriptions that can be reported are changes in the overall value or duration of an agreement, or changes in the goods or services provided.
- The Phoenix Financial System cannot distinguish between a true amendment and an error correction. Screens were built to allow superior courts to review transactions included in the report and exclude changes that were error corrections. This design feature affects the accuracy of the data based on a court’s ability/availability to review its transactions.

Table 4 contains a list of the report fields and their descriptions.

**Table 4. Trial Court Contract Report Field Names and Descriptions**

Field Name	Field Description
<b>Court</b>	Judicial Branch Entity (JBE), specifically the name of the superior court with the associated contract.
<b>Contract</b>	Unique identifier for the contract; can be system generated or a court-specific number.
<b>Vendor ID</b>	Unique identifier for the vendor; can be system generated or a court-specific vendor identifier.
<b>Vendor Name</b>	Name of the vendor.
<b>Last Reported Contract Value</b>	The most recently reported contract value, when the transaction record is for a contract that has been previously reported. (Only contracts created or amended after January 1, 2012, have been reported.)
<b>Contract Value (New)</b>	Known or estimated original contract value, when the transaction record is for a new contract.
<b>Contract Value (Changed)</b>	The increase or decrease to the contract value, if the contract value changed within the reporting period, which may occur in the same reporting period as a new contract.
<b>Goods/Services (New)</b>	A description of the goods/services based on the general ledger accounts associated with the contract, when the transaction record is for an original contract. <b>(The goods/services are rolled up from subaccounts, so descriptions may appear to be duplicates but are actually separate subaccounts in the rolled-up category.)</b>
<b>Goods/Services (Changed)</b>	A description of the changed goods/services based on the general ledger accounts associated with the contract, when the transaction record refers to an amendment to the goods/services. <b>(The goods/services are rolled up from subaccounts, so descriptions may appear to be duplicates but are actually separate subaccounts in the rolled-up category.)</b>
<b>Contract Duration (New)</b>	When the transaction record is for an original contract, the original contract duration, represented in months or a fraction thereof.
<b>Contract Duration (Changed)</b>	When the transaction record refers to an amendment to the current contract duration, the increase or decrease to the contract duration, represented in months or a fraction thereof.
<b>Total Contract Duration</b>	The total contract duration, including cumulative changes to the original contract duration, represented in months or a fraction thereof.

***Trial Court Payment Report***

Below are some key factors to consider when reviewing the payment data:

- Goods/Services descriptions are determined by the general ledger account(s) entered in the system.
- A single payment may have multiple lines of data in the file if the payment is for multiple goods or services. Simple sorting by contract number keeps these records together. The reports can also be sorted by court/JBE or by vendor.

Table 5 contains a list of the report fields and their descriptions.

**Table 5. Trial Court Payment Report Field Names and Descriptions**

Field Name	Field Description
<b>JBE</b>	Name of the superior court making the payment.
<b>Contract Number</b>	Unique identifier for the contract under which the payment was made. (If the payment was not associated with a contract, this field will be blank.)
<b>Goods/Services</b>	Description of the goods/services based on the general ledger account associated with the payment. <b>(The goods/services are rolled up from subaccounts, so descriptions may appear to be duplicates but are actually separate subaccounts in the rolled-up category.)</b>
<b>Vendor ID</b>	Unique identifier for the vendor.
<b>Vendor Name</b>	Name of the vendor.
<b>Total Payments</b>	Total payments to a vendor, reported by court, contract, and goods/services under the contract. (Data can be sorted in various ways to obtain totals by court, vendor, contract, goods/services, etc.)
