NEWS RELEASE

Release Number: **S.C. 52/09**

Release Date: **December 31, 2009**

Summary of Cases Accepted During the Week of December 28, 2009

The Supreme Court has announced that no cases were accepted during the week of December 28, 2009.

The following case should have been reported in the summary for the week of December 21, 2009:

#09-87 *Smith v. Superior Court, S177406.* (A124763; 178 Cal.App.4th 373; San Francisco County Superior Court; 207788.) Petition for review after the Court of Appeal granted a petition for peremptory writ of mandate. The court ordered briefing deferred pending decision in *People v. Sutton*, S166402 (#08-160), which presents the following issue: Were defendants' statutory speedy trial rights violated when defense counsel announced ready but that he might be in another trial, and the court continued trial for six days over defendants' personal objection, and if so, was the error prejudicial?
