2.	<p>TCPJAC/CEAC Joint Legislation Subcommittee. Remained active throughout 2020, holding 11 conference calls to, on behalf of the TCPJAC and CEAC, provide review and make recommendations to the Legislation Committee on 30 different bills identified by Governmental Affairs as having significant operational or administrative impact on the trial courts. In December 2020, the subcommittee meeting schedule will be set according to the Legislation Committee’s 2021 meeting schedule. The subcommittee will continue to meet to review proposals to create, amend, or repeal statutes to achieve cost savings or greater efficiencies for the trial courts, and recommend proposals for future consideration.</p>
3.	<p>TCPJAC/CEAC Joint Rules Subcommittee. Remained active throughout 2020, on behalf of the TCPJAC and CEAC, and reviewed 44 rule proposals throughout the course of the year. The subcommittee provided comment on 16 rule proposals that may have a significant fiscal or operational impact on the trial courts. This subcommittee will continue to be active in 2021 and meet as needed.</p>
4.	<p>Child Support Services Subcommittee. The subcommittee reviewed the current Plan of Cooperation and submitted changes which affect timelines and requirements as a result of the COVID-19 pandemic. The subcommittee provided feedback on Family and Juvenile Law Advisory Committee recommendations related to budget reductions to the AB 1058 Program. The subcommittee also provided input to CFCC on the 24th Annual AB 1058 Child Support Training Conference schedule and content.</p>
5.	<p>JBSIS Subcommittee. The subcommittee has made considerable progress on its 2020 objectives, including an extensive review of JBSIS data elements to determine which should continue to be collected and which were no longer needed, based on a set of agreed-upon review principles. The subcommittee reviewed the civil, small claims, family law, and juvenile (September 2020 planned) data elements and will continue this review into 2021. The subcommittee recommended, and the Judicial Council adopted, a proposal to add a new data collection category to improve felony disposition reporting. The subcommittee also reviewed and discussed various data reporting questions to help improve the consistency of JBSIS data reporting.</p>
6.	<p>Nominations Subcommittee. Before the 2020 nominations cycle was postponed, the subcommittee identified, assessed, and recommended court executive/judicial administrator candidates for membership on the Judicial Council, CEAC Executive Committee, and other advisory bodies.</p>
7.	<p>Records Management Subcommittee. The subcommittee is working on updates on the TCRM to include legislatively mandated updates and best practices for court records.</p>
8.	<p>CEAC Ad Hoc Working Group on Court Appointed Dependency Counsel – Title IV-E Program. The proposed recommendations will be considered by the Judicial Council in January 2021.</p>
10.	<p>CEAC Ad Hoc Working Group on Trial Court Facilities. In August 2020, the working group created the <i>Public Safety Power Shutoff Preparedness and Continuity of Operations Recommendations</i>. The document includes issues and impacts to trial courts and considerations resulting from Public Safety Power Shutoffs and provides guidance for the direct impacts to trial courts resulting from wildfires and smoke from wildfires, as well as how the Judicial Council can collaborate with trial courts.</p>
11.	<p>Pandemic Continuity of Operations Resource Guide. In May 2020, the Judicial Council of California launched the Pandemic Continuity of Operations Working Group, consisting of presiding judges and court executives, to collect best practices and publish a framework to help the state’s 58 superior courts address interrupted services amidst the COVID-19 pandemic. In June 2020, the working group, in collaboration with Judicial Council staff contributors, published the Pandemic Continuity of Operations Resource Guide. This tool serves as a resource guide to assist trial courts with navigating the COVID-19 pandemic while maintaining ongoing modifications to public health restrictions from the state, counties, and cities.</p>
