Re: Construction Management Services RFQ

We would like to express our gratitude to all of the Construction Management firms that participated in our Construction Management Services selection process. We understand that it takes a considerable investment of talent and resources to respond to an RFQ and to prepare for an interview, and appreciate the participation of so many members of the construction industry.

Twenty-six firms responded to our RFQ, and after evaluating their Statements of Qualification we interviewed seventeen candidates. After five days of interviews, we have selected the following seven firms for Construction Management Services:

Statewide:	Jacobs Engineering; Kitchell CEM, Inc.; URS Corporation
Bay Area & North Central:	Vanir Construction Management, Inc.
North Central:	Turner Construction Company
Southern:	Heery international, Inc.; Lundgren Management

Again, our sincere thanks for the participation of all the teams.

Best Regards,

Steve Sundman
