Re: Quality Assurance Services RFP

We would like to express our appreciation to all of the Quality Assurance Provider firms that participated in our Quality Assurance Services selection process. We understand that it takes a considerable investment of talent and resources to respond to an RFP and to prepare for an interview.

Sixty-nine (69) proposals (twenty-four (24) for Plan Checking, eighteen (18) for Construction Inspection, nine (9) for Testing Labs and eighteen (18) for Building Commissioning) were received and evaluated for this RFP, and after evaluating their Proposals we interviewed thirty-four (34) firms (seven (7) for Plan Checking, fourteen (14) for Construction Inspection, five (5) for Testing Labs and eight (8) for Building Commissioning). After eight days of interviews at three locations, we have selected the following firms:

Plan Checking:	Owen Group, Interwest, Esgil
Construction Inspection:	Douglas Hahn, Interwest, The G Crew, TYR, Consolidated CM, David Neitzel, Moore-Uebel
Testing Labs:	Moore-Twining, Ninya & Moore,
Building Commissioning:	Cogent, Enovity, Working Buildings, WCS/CA

Again, we extend our sincere thanks for the participation of all the teams.

Sincerely,

Jim Stephenson  
Supervising Construction Inspector, Design and Construction Services
