Speeding Traffic School Violation**

***VIII. Traffic Violator School***

A. Vehicle Code section 42007 provides that

1. The court shall collect a fee from every person ordered or permitted to attend traffic violator school in an amount equal to the total bail set forth for the eligible offense in the uniform countywide bail schedule;
2. Where multiple offenses are charged on a single notice to appear, the “total bail” amount collected is the amount applicable to the greater of the eligible offenses; and
3. The court may set a lesser fee upon a showing that the defendant is unable to pay the full amount.

B. Vehicle Code section 40512.6 provides that the fee may be converted to bail and forfeited if the defendant fails to submit proof of school completion within the time ordered by the court.

C. Vehicle Code section 42007.1(a) provides that a \$49 fee, a fee for monitoring traffic violator schools, and a TAP fee under Vehicle Code section 11205.2(c) are to be added to the “total bail” of the offense eligible for traffic violator school.

D. Vehicle Code section 42005 prohibits drivers of commercial vehicles from eligibility for traffic violator school. Drivers with a Class A, Class B, or commercial Class C driver’s license may attend traffic violator school to avoid points for traffic violations in a vehicle that requires only a class M or noncommercial class C license. Vehicle Code section 42005(d) excludes violations of Vehicle Code sections 20001, 20002, 23103, 23104, 23105, 23140, 23152, 23153, or 23103, as specified in section 23103.5, from eligibility for traffic violator school for pretrial diversion, a confidential conviction, or to avoid points.

**Case Study #1:  
Speeding Traffic School Violation**

**Vehicle Code section 42007**

(a) (1) The clerk of the court shall collect a fee from every person who is ordered or permitted to attend a traffic violator school pursuant to Section 41501 or 42005 in an amount equal to the total bail set forth for the eligible offense on the uniform countywide bail schedule. As used in this subdivision, "total bail" means the amount established pursuant to Section 1269b of the Penal Code in accordance with the Uniform Bail and Penalty Schedule adopted by the Judicial Council, including all assessments, surcharges, and penalty amounts. Where multiple offenses are charged in a single notice to appear, the "total bail" is the amount applicable for the greater of the qualifying offenses. However, the court may determine a lesser fee under this subdivision upon a showing that the defendant is unable to pay the full amount.

The fee shall not include the cost, or any part thereof, of traffic safety instruction offered by a traffic violator school.

(2) The clerk may accept from a defendant who is ordered or permitted to attend traffic violator school a payment of at least 10 percent of the fee required by paragraph (1) upon filing a written agreement by the defendant to pay the remainder of the fee according to an installment payment schedule of no more than 90 days as agreed upon with the court. The Judicial Council shall prescribe the form of the agreement for payment of the fee in installments. When the defendant signs the Judicial Council form for payment of the fee in installments, the court shall continue the case to the date in the agreement to complete payment of the fee and submit the certificate of completion of traffic violator school to the court. The clerk shall collect a fee of up to thirty-five dollars (\$35) to cover administrative and clerical costs for processing an installment payment of the traffic violator school fee under this paragraph.

(3) If a defendant fails to make an installment payment of the fee according to an installment agreement, the court may convert the fee to bail, declare it forfeited, and report the forfeiture as a conviction under Section 1803. The court may also charge a failure to pay under Section 40508 and impose a civil assessment as provided in Section 1214.1 of the Penal Code or issue an arrest warrant for a failure to pay. For the purposes of reporting a conviction under this subdivision to the department under Section 1803, the date that the court declares the bail forfeited shall be reported as the date of conviction.

Nothing in the act that added this paragraph shall be interpreted in a manner that would result in either of the following:

(A) The utilization of penalty assessment funds that had been set aside, on or before January 1, 2000, to finance debt service on a capital facility that existed before January 1, 2000.

(B) The reduction of the availability of penalty assessment revenues that had been pledged, on or before January 1, 2000, as a means of financing a facility which was approved by a county board of supervisors, but on January 1, 2000, is not under construction.

(d) The clerk of the court, in a county that offers traffic school shall include in any courtesy notice mailed to a defendant for an offense that qualifies for traffic school attendance the following statement:

**Penal Code section 1465.7**

(a) A state surcharge of 20 percent shall be levied on the base fine used to calculate the state penalty assessment as specified in subdivision (a) of Section 1464.

(b) This surcharge shall be in addition to the state penalty assessed pursuant to Section 1464 of the Penal Code and may not be included in the base fine used to calculate the state penalty assessment as specified in subdivision (a) of Section 1464.

(c) After a determination by the court of the amount due, the clerk of the court shall cause the amount of the state surcharge collected to be transmitted to the General Fund.

Of the amount collected from the total amount of the fines, penalties, and surcharges imposed, the amount of the surcharge established by this section shall be transmitted to the State Treasury to be deposited in the General Fund.

(e) When any deposited bail is made for an offense to which this section applies, and for which a court appearance is not mandatory, the person making the deposit shall also deposit a sufficient amount to include the surcharge prescribed by this section.

(f) When amounts owed by an offender as a result of a conviction are paid in installment payments, payments shall be credited pursuant to Section 1203.1d. The amount of the surcharge established by this section shall be transmitted to the State Treasury prior to the county retaining or disbursing the remaining amount of the fines, penalties, and forfeitures imposed.

(g) Notwithstanding Sections 40512.6 and 42007 of the Vehicle Code, the term "total bail" as used in subdivision (a) of Section 42007 of the Vehicle Code does not include the surcharge set forth in this section. The surcharge set forth in this section shall be levied on what would have been the base fine had the provisions of Section 42007 not been invoked and the proceeds from the imposition of the surcharge shall be treated as otherwise set forth in this section.

**Traffic Violator School Fee Distribution:**

For traffic school violations, the DNA Identification Penalty Assessment is part of the total bail. Therefore, it is part of the traffic violator school fee pursuant to Vehicle Code (VC) section 42007. There is no specific distribution to the DNA Identification Fund from the traffic violator school fee; thus, it is like PC section 1464, part of the VC section 42007 distribution to the county general fund.
