Quarter 4

1. _____
2. During the process of working on this ROR it has been discovered that monies that should have been distributed into the ICNA funds for the \$30 misdemeanor/felony and the \$35 infraction criminal conviction assessment were not, due to an oversight on my (Janelle Bartlett) part. I did not include the newly created (1/1/09) fund number into our case management system. Accordingly, it is distributing this amount across the board. In order to correct this we will need to run searches on these assessments; delete everyone of them and reenter. This will take a substantial amount of time.
