See definition below. 909s, Temp is defined as employees that are funded through the Budget Act and it is categorized by the Office of the State Controller as a temporary position used in the absence of an authorized position. 909 positions may be occupied by regular full-time employees due to the unavailability of an authorized position. 909 Employment Agency Temporary Worker (909) These are workers from an employment agency, not the AOC, but do receive temporary benefits. One employee working for 1,040 hours each would consume .5 FTE. Time Base Full time: Employee is scheduled to work 40 hours per week. Receives full benefits. Part time: Employee is scheduled to work less than 40 hours per week. Employee that work more than 20 hours per week receive full benefits. ### Definitions:

- **Authorized Position (FTE)**: Authorized positions include all regular ongoing positions approved in the Budget Act for that year. The number is based on the position's approved full-time equivalency.
- **Filled Authorized Position (FTE)**: Filled authorized positions are the number of authorized positions filled by the employee’s full time equivalency.
- **Headcount**: The actual count of persons employed by the AOC, regardless of FTE. This number could be more than the FTE count due to part-time employees being counted as "1." This count does not include AOC Temporary Employees (909) or Employment Agency Temporary Workers.
- **Vacancy (FTE)**: The number of vacancies is the number of authorized positions minus the number of filled authorized positions.
- **Vacancy Rate (FTE)**: Vacancy Rate is calculated by dividing the number of authorized positions by the number of vacant authorized positions. This number excludes AOC temporary employees ("909" funded employees). See definition of AOC temporary employees below.
- **AOC Temporary Employees (909)**: The "909" category is the State Controller code the AOC uses to reference a temporary position or a temporary employee. 909 Position: It is a position that may not be funded through the Budget Act and it is categorized by the Office of the State Controller as a temporary position used in the absence of an authorized position. 909 positions may be occupied by regular full-time employees due to the unavailability of an authorized position. 909 Employee: An employee whose salary is not funded through the Budget Act. 909 employees may receive benefits if employed at least half-time and the term of employment is for more than six months. Types of "909" Temporary Employees include: Retired Annuitants: A retired annuitant who is hired by his or her former employer or by another employer that participates in the same retirement system as the former employer. This includes a former participant in a state retirement system who has previously retired and who is currently receiving retirement benefits. Temporary: Employees employed by the AOC on a temporary basis - they do not receive full benefits (but do receive CalPERS retirement service credit). Employment Agency Temporary Worker (FTE) These are workers from an employment agency, not the AOC, but do receive temporary benefits. They are employees of the employment agency, not the AOC, but do provide short-term support for AOC workload.
