Item 1

Modernization Project Rules Proposal: Proposed Amendments to Title 2, Chapter 3, Division 2 of the California Rules of Court (Action Required)

Consider circulating for public comment proposed amendments to title 2, chapter 3, division 2 of the California Rules of Court. The proposed amendments reduce redundancies and improve consistency between California Rules of Court governing electronic service and electronic filing in the trial courts, and provisions of the Code of Civil Procedure that provide statutory authority for permissive and mandatory electronic service and electronic filing in the courts. The proposal also includes amendments to make limited organizational changes to the rules to improve their logical ordering.

Presenters: Hon. Peter Siggins, Chair, Rules and Policy Subcommittee
Mr. Patrick O'Donnell, Managing Attorney, Legal Services
Ms. Andrea Jaramillo, Attorney II, Legal Services

Item 2

Legislative Proposal to Amend section 1719 of the Civil Code and sections 405.22, 405.23, 594, 659, 660, and 663a of the Code of Civil Procedure (Action Required)

Consider circulating for public comment proposed amendments to the Civil Code and Code of Civil Procedure. The purpose of the legislative amendments is to provide clarity about and foster the use of electronic service. The proposed amendments authorize electronic service for certain demands and notices. The proposal also clarifies that the broader term “service” is applicable rather than “mailing” in certain code sections.
