2013–2014 Judicial Council Internal
Committee Oversight Order

The Judicial Council relies on the important work of its advisory groups to make informed decisions that improve access to the courts and the administration of justice in California. The council's internal committees provide oversight and guidance to these advisory groups, as provided in rules 10.11, 10.12, 10.13, 10.30, 10.34, and 10.70 of the California Rules of Court. This year, the five following groups have transitioned to become advisory committees and are listed accordingly under the oversight responsibility of the council's Executive and Planning Committee (E&P): California Tribal Court/State Court Forum, Court Security Advisory Committee, Court Facilities Advisory Committee, Trial Court Facility Modification Advisory Committee, and Trial Court Budget Advisory Committee. Oversight for the Task Force on Self-Represented Litigants is shifted to E&P from RUPRO. Also this year, the council's Technology Committee is assigned oversight of the Technology Planning Task Force.
