Reviewing the alternatives:

- Workload needs of courts have changed since 2007
- Capital programs office uses allocation lists for long-range capital planning

Recommendation:

The SB 56 Working Group recommends that the Judicial Council review the information provided and consider adopting one of the three alternatives presented below for allocating the “second 50” judgeships:

Should Alternative 1 or 2 be adopted, the Judicial Council should request the Court Facilities Advisory Committee to make recommendations to the Judicial Council addressing how adoption of the new allocation affects the scope of capital outlay projects.
