Attachment 1

JBCL APPENDIX

This JBCL Appendix contains the provisions required for compliance with Public Contract Code ("PCC"), part 2.5, enacted under Senate Bill 78 (Stats. 2011, ch. 10), and the Judicial Branch Contracting Manual ("JBCM") adopted pursuant to that law.

1. Seller Certification Clauses. Seller certifies that the following representations and warranties are true. Seller shall cause these representations and warranties to remain true during the term of this Agreement, and Seller shall promptly notify the AOC if any representation and warranty becomes untrue.

1.1. Non-discrimination. Seller complies with the federal Americans with Disabilities Act (42 U.S.C. 12101 et seq.), and California's Fair Employment and Housing Act (Government Code section 12990 et seq.) and associated regulations (Code of Regulations, title 2, section 7285 et seq.). Seller does not unlawfully discriminate against any employee or applicant for employment because of age (40 and over), ancestry, color, creed, disability (mental or physical) including HIV and AIDS, marital or domestic partner status, medical condition (including cancer and genetic characteristics), national origin, race, religion, request for family and medical care leave, sex (including gender and gender identity), and sexual orientation. Seller has notified in writing each labor organization with which Seller has a collective bargaining or other agreement of Seller's obligations of non-discrimination.

1.2. National Labor Relations Board. No more than one, final unappealable finding of contempt of court by a federal court has been issued against Seller within the immediately preceding two-year period because of Seller's failure to comply with an order of a federal court requiring Seller to comply with an order of the National Labor Relations Board. Seller swears under penalty of perjury that this representation is true.

1.3. Not an Expatriate Corporation. Seller is not an expatriate corporation or subsidiary of an expatriate corporation within the meaning of PCC 10286.1, and is eligible to contract with the Buyer.

2. Provisions Applicable Only to Certain Agreements. The provisions in this section are *applicable only to the types of agreements specified in the title of each subsection*. If the Agreement is not of the type described in the title of a subsection, then that subsection does not apply to the Agreement.

2.1. Agreements over \$10,000. This Agreement is subject to examinations and audit by the State Auditor for a period of three years after final payment.

2.2. Agreements over \$50,000. No Buyer funds received under this Agreement will be used to assist, promote or deter union organizing during the term of this Agreement (including any extension or renewal term).

2.3. Agreements of \$100,000 or More. Seller certifies that it is, and will remain for the term of the Agreement, in compliance with PCC 10295.3, which places limitations on contracts with contractors who discriminate in the provision of benefits regarding marital or domestic partner status. Seller recognizes the importance of child and family support obligations and fully complies with (and will continue to comply with during the term of this Agreement) all applicable state and federal laws relating to child and family support enforcement, including, but not limited to, disclosure of information and compliance with earnings assignment orders, as provided in Family Code section 5200 et seq. Seller provides the names of all new employees to the New Hire Registry maintained by the California Employment Development Department.

2.4. Agreements for Services over \$200,000 (Excluding Consulting Services). Seller shall give priority consideration in filling vacancies in positions funded by this Agreement to qualified recipients of aid under Welfare and Institutions Code section 11200 in accordance with PCC 10353.

2.5. Agreements of \$1,000,000 or More. Seller certifies either (i) it is not on the current list of persons engaged in investment activities in Iran ("Iran List") created by the California Department of General Services pursuant to PCC 2203(b), and is not a financial institution extending \$20,000,000 or more in credit to another person, for forty-five (45) days or more, if that other person will use the credit to provide goods or services in the energy sector in Iran and is identified on the Iran List, or (ii) it has received written permission from the Buyer to enter into this Agreement pursuant to PCC 2203(c).

2.6. Agreements for the Purchase of Goods. Seller shall not sell or use any article or product as a "loss leader" as defined in Business and Professions Code section 17030.

2.7. Agreements for which Seller Has Committed to Achieve DVBE Participation. Seller shall within sixty (60) days of receiving final payment under this Agreement certify in a report to the Buyer: (i) the total amount the Seller received under this Agreement; (ii) the name and address of any disabled veterans business enterprise ("DVBE") that participated in the performance of this Agreement; (iii) the amount each DVBE received from the Seller; (iv) that all payments under this Agreement have been made to the DVBE; and (v) the actual percentage of DVBE participation that was achieved. A person or entity that knowingly provides false information shall be subject to a civil penalty for each violation.

2.8. Agreements Resulting from Competitive Solicitations. Seller shall assign to the Buyer all rights, title, and interest in and to all causes of action it may have under Section 4 of the Clayton Act (15 U.S.C. Sec. 15) or under the Cartwright Act (Chapter 2 (commencing with Section 16700) of Part 2 of Division 7 of the Business and Professions Code), arising from purchases of goods, materials, or services by Seller for sale to the Buyer. Such assignment shall be made and become effective at the time the Buyer tenders final payment to the Seller. If the Buyer receives, either through judgment or settlement, a monetary recovery for a cause of action assigned under this section, the Seller shall be entitled to receive reimbursement for actual legal costs incurred and may, upon demand, recover from the Buyer any portion of the recovery, including treble damages, attributable to overcharges that were paid by the Seller but were not paid by the Buyer as part of the bid price, less the expenses incurred in obtaining that portion of the recovery. Upon demand in writing by the Seller, the Buyer shall, within one year from such demand, reassign the cause of action assigned under this part if the Seller has been or may have been injured by the violation of law for which the cause of action arose and (a) the Buyer has not been injured thereby, or (b) the Buyer declines to file a court action for the cause of action.

2.9. Agreements Performed in California by Sellers that are Corporations, LLCs, or LPs. Seller is, and will remain for the term of the Agreement, qualified to do business and in good standing in California.

2.10. Agreements that the Buyer Cannot Terminate for Convenience. The Buyer's obligations under this Agreement are subject to the availability of applicable funds. Expected or actual funding may be withdrawn, reduced, or limited prior to the expiration or other termination of this Agreement. Funding beyond the initial appropriation year is conditioned upon appropriation of sufficient funds to support the activities described in this Agreement. Upon notice, the AOC may terminate this Agreement in whole or in part, without prejudice to any right or remedy of the AOC, for lack of appropriation of funds. Upon termination, the Buyer will pay Seller for the fair value of work satisfactorily performed prior to the termination, not to exceed the total contract amount.
