Reference hearing ordered

Based on the record in this matter and good cause appearing:

The Honorable Carolyn B. Kuhl, Presiding Judge of the Superior Court of California, County of Los Angeles, is directed to select a Judge of that court to sit as a referee in this proceeding and promptly notify this court of the referee selected. After appointment by this court, the referee is to take evidence and make findings of fact on the following questions regarding the case of *People v. James Robinson, Jr.* (Superior Court of California, County of Los Angeles No. PA007095, Judge Ronald S. Coen):

- 1) During the guilt phase deliberations, did any jurors discuss the possible sentences petitioner faced if he were convicted? If such discussions occurred, which jurors participated in the discussions, and what was the extent and context of any discussion about the possible sentences?
- 2) Assuming for the purposes of answering the following question that Evidence Code section 1150 does not apply, during guilt phase deliberations did any jurors agree to vote to convict petitioner of the charged crimes in exchange for voting against a death verdict during the penalty phase?
- 3) Assuming for the purposes of answering the following question that Evidence Code section 1150 does not apply, was Juror Nancy Gronewold biased against petitioner due to his race?
- 4) If Juror Nancy Gronewold was biased against petitioner due to his race, did she fail to disclose her bias on her juror questionnaire or during voir dire at petitioner's trial? If she did, was the nondisclosure intentional and deliberate?

It is further ordered that the referee prepare and submit to this court a report of the proceedings conducted pursuant to this appointment, of the evidence adduced, and the findings of fact made. Petitioner's "Motion for Discovery," filed on March 13, 2015, is referred to the referee for disposition. All future requests for discovery in this matter must be addressed to the referee. If petitioner believes additional funds are required for investigator or expert services, he should apply in the first instance to the referee. The referee is instructed to consider the investigation petitioner has already undertaken and to decide - bearing in mind that any further investigation must be pertinent to the questions this court has posed in this order, and considering what is normally paid for comparable investigation pretrial - whether petitioner reasonably needs additional funds to prepare for and conduct the evidentiary hearing, and if so, how much. The referee will then make a recommendation concerning any further funding to this court, which will make the final decision.
