
SB 1407 Architectural/Engineering Interviews

Interview Guidelines

Please note:

- 1. The interview format will include a 30 minute presentation followed by a 30-minute question and answer session by the panel.***
- 2. The interview will be conducted in a standard conference room in one of the regional offices of the AOC or at the 5th District Court of Appeal in Fresno as previously published and scheduled. Detail about and visits to the interview rooms are not available prior to the interview date.***
- 3. Each team should use whatever methods and materials best demonstrate the qualifications of the team and firm for the project. Per the RFQ, each team should bring the key team members who will work on the project. This may or may not include key sub-consultants as appropriate.***
- 4. The names of the panel members are not available prior to the interview date.***
- 5. The dates and times of the interviews cannot be changed.***

We look forward to meeting you. Thank you for your interest in the court building program, and good luck.
