VI. SAMPLE WORKSHEET FOR DETERMINING COMMUNITY OBLIGATIONS AND THEIR DIVISION

Note: The information on this form is for an imaginary couple, Pat and Chris, who are married. (When you fill out your worksheet, use your information and make sure you indicate if you are married, in a domestic partnership, or both.)

This side of the worksheet will help you determine whether you are **eligible** to use the summary dissolution procedure. The total amount of your community obligations (debts) cannot be more than \$6,000. Do not include car loans. Be sure you include any other debts you took on while you were living together as spouses or domestic partners. List the amount you owe on the items from your **Worksheet for Determining Value and Division of Community Property**. Then add all other debts and bills, including loans, charge accounts, medical bills, and taxes you owe.

This side of the worksheet will help you decide on a fair way to divide up your community obligations. You will use this information in preparing a **property settlement agreement**.
