### Executive Summary and Origin

The Family and Juvenile Law Advisory Committee proposes amending one rule of court and adopting a new mandatory form to comply with recent statutory changes to Family Code section 3118. The recent amendments enacted by Assembly Bill 1179 (Rubio; Stats. 2019, ch. 127) create new requirements for the confidential written report that is filed with the court and served on the parties following a child custody evaluation, assessment, or investigation in which the court has determined that there is a serious allegation of child sexual abuse or an allegation of child abuse in any other circumstance.

### Background

In contested proceedings in family court involving child custody or visitation rights, a judicial officer may appoint a court-connected or private evaluator under Family Code section 3111 to provide recommendations to the court if the judicial officer determines the appointment is in the best interests of the child. Under section 3118, in cases involving serious allegations of child sexual abuse, the court *must* appoint an evaluator to conduct an evaluation, investigation, or assessment. For serious allegations of child abuse that arise in a proceeding for child custody and visitation rights, the court is not required to, but may appoint an evaluator or investigator to conduct an evaluation, investigation, or assessment under section 3118.

*The proposals have not been approved by the Judicial Council and are not intended to represent the views of the council, its Rules and Projects Committee, or its Policy Coordination and Liaison Committee. These proposals are circulated for comment purposes only.*

Section 3118(b)(5) and (6)(A)–(H) lists the minimum information that the evaluator or investigator must cover in the confidential written report. They are summarized as follows:

1. A written statement explaining why a forensic examination is not needed if the evaluator did not request a forensic medical examination of the child;
2. Documentation of material interviews of the child, parents, and other witnesses;
3. A summary of any law enforcement investigator’s investigation;
4. Relevant background material, including, but not limited to a summary of written reports from any therapist treating the child for suspected child sexual abuse;
5. The written recommendations of the evaluator or investigator about the therapeutic needs of the child and how to ensure the child’s safety;
6. A summary of other child abuse investigations, if any, and disposition and any relevant dependency court orders or findings;
7. Any information from a child protective agency or law enforcement agency about the presence of domestic violence or substance abuse in the family;
8. If any family members are known to be eligible for assistance from the Victims of Crime Program due to child abuse or domestic violence; and
9. Any other information believed to be helpful for the court in determining what is in the best interests of the child.

Effective January 1, 2021, subdivision (b)(6) requires that the report on the above topics be made on a form adopted by the Judicial Council. To comply with the legislation, the Judicial Council must adopt one new form and amend rule 5.220 as described in the following section.

## **The Proposal**

### **Rule 5.220**

Rule 5.220 would be reorganized to differentiate the requirements for confidential evaluation reports written to comply with Family Code section 3111 and those that must comply with Family Code section 3118. Specifically, the rule would include a new subdivision (g) titled *Confidential written report; requirements*, in which (g)(1) would list the requirements for section 3111 reports and (g)(2) would list the requirements for section 3118 reports. Subdivision (g)(2) would reference the name and number of the proposed new Judicial Council form FL-329 among other requirements. In addition, because both new subdivisions would include the language in current subdivision (i) relating to another required form, subdivision (i) would be deleted to avoid redundancy in the rule.

Other technical changes would include relettering affected subdivisions in the rule and updating (b) by deleting the reference to section 2032 in the Code of Civil Procedure and updating it to section 2032.010.

### ***Confidential Child Custody Evaluation Report (form FL-329)***

This form would comply with section 3118 by serving as the standardized template for all information necessary to provide a full and complete analysis of the allegations raised in the proceeding. The proposed new mandatory form would include the previously listed categories of

information (subdivisions (b)(6)(A)–(H)) at items 3–7 and 9–11. In addition, the form would include the required contents of an evaluation specified in rule 5.220, at items 8 and 12.

### **Alternatives Considered**

Because section 3118(i) requires the Judicial Council to adopt a mandatory form on or before January 1, 2021, the committee did not consider any alternative methods to implement the statutory mandate. The committee did consider whether form FL-329 should be drafted as a mandatory form for child custody evaluations, assessments, or investigations conducted under Family Code section 3111 as well as section 3118. The committee, however, concluded that this would be beyond the scope of legislation, as AB 1179 did not amend Family Code section 3111. Absent clear direction from the Legislature, the committee proposes a mandatory form that would apply only to reports drafted in response to a section 3118 evaluation, assessment, or report.

The committee did consider whether to propose revisions to two additional forms: *Notice Regarding Confidentiality of Child Custody Evaluation Report* (form FL-328) and *Child Custody Evaluation Information Sheet* (form FL-329-INFO), as the forms include information about the child custody evaluation process. However, because both forms refer to the child custody evaluation report in very general terms, the committee decided that revisions to the forms were not essential to comply with the legislative mandate.

### **Fiscal and Operational Impacts**

The impact to the courts includes costs to copy the new and revised forms, as well as the cost to educate court-connected child custody evaluators on the new procedures for completing a child custody evaluation, investigation, or assessment. However, these costs would be outweighed by the benefit of producing reports that satisfy the requirements of Family Code section 3118.

### **Request for Specific Comments**

In addition to comments on the proposal as a whole, the advisory committee is interested in comments on the following:

- Does the proposal appropriately address the stated purpose?

The advisory committee also seeks comments from *courts* on the following cost and implementation matters:

- Would the proposal provide cost savings? If so, please quantify.
- What would the implementation requirements be for courts? For example, training staff (please identify position and expected hours of training), revising processes and procedures (please describe), changing docket codes in case management systems, or modifying case management systems.
- Would 3 months from Judicial Council approval of this proposal until its effective date provide sufficient time for implementation?
- How well would this proposal work in courts of different sizes?
