

Compensation Earnable Policy

Purpose and Background

1. The purpose of this policy is to affirm OCERS' interpretation of the term Compensation Earnable as set forth in California Government Code section 31461 (Section 31461) and OCERS Board of Retirement Resolution 98-001 (Resolution 98-001).
2. Resolution 98-001 was adopted by the OCERS Board of Retirement (Board) on February 6, 1998, in order to implement the decision of the California Supreme Court (Supreme Court) in the case *Ventura County Deputy Sheriffs' Association vs. Board of Retirement of Ventura County Employees Retirement Association* (1997) 16 Cal.4th 483 (Ventura Decision). The Supreme Court in the Ventura Decision interpreted Section 31461 and the term Compensation Earnable as set forth therein and mandated a change in the method for calculating pension benefits for members and their beneficiaries by retirement systems governed by the County Employees Retirement Law of 1937 (CERL).
3. Resolution 98-001, among other things, reflects the Board's interpretation of the Ventura Decision as it applies to various types or categories of speciality or premium pay received by OCERS members from their employers, and delineates those items of pay that are to be included in and those that are to be excluded from Compensation Earnable.
4. On May 4, 1998, Resolution 98-001 was amended by Board Resolution 98-009 in response to litigation brought by the County of Orange and others challenging the legality of Resolution 98-001. Resolution 98-009 deleted Sections 6, 8 and a portion of Section 9 of Resolution 98-001 related to the imposition of contributions in arrears stemming from the change in contribution rates that resulted from the implementation of Resolution 98-001. Additionally on December 18, 2000, Resolution 98-001 was further amended by Resolution 00-003 to address the treatment of certain automobile allowances. For purposes of this policy, any reference to Resolution 98-001 shall be as Resolution 98-001 was amended by Resolutions 98-009 and 00-003.
5. OCERS was a party to several litigation matters that arose subsequent to the Ventura Decision and adoption of Resolution 98-001. These cases were coordinated as class actions in San Francisco Superior Court with other litigation involving other county retirement systems involving the interpretation and implementation of the Ventura Decision (Coordinated Cases).
6. On November 1, 2002, the San Francisco Court entered a judgment (Judgment) approving a settlement agreement of the Coordinated Cases that, among other things, included an agreement that all parties would " . . . accept as final and binding the inclusions and exclusions from compensation, compensation earnable and final compensation . . . " as set forth in Resolution 98-001.
7. In 2012, the California Legislature adopted the Public Employees Pension Reform Act of 2012 ("PEPRA"), which among other things, effective January 1, 2013, amended Section 31641 to add a list of items of compensation that are expressly excluded from Compensation Earnable. PEPRA also added a new term – Pensionable Compensation – to define the items of compensation to be included in the calculation of the retirement allowances of all OCERS members enrolled in the pension system on or after January 1, 2013. OCERS members who were members of the system prior to January 1, 2013 are referred to as Legacy members in this policy.

(a) Pay Items Included in Compensation Earnable. In accordance with Resolution 98-001, (i) remuneration earned and receivable in cash (under the applicable MOU) by the retiring employee, (ii) during the final compensation period, and (iii) for working the ordinary time required of other employees in the same grade /class, will be included in Compensation Earnable, including, but not limited to the following items of compensation-, and others substantially similar to them:

- (b) Pay Items Excluded from Compensation Earnable. In accordance with Resolution 98-001, (i) remuneration or other value to the employee that (i) is neither earned nor payable in cash to the employee during the final compensation period; and (ii) is not for working the ordinary time required of other employees in the same grade/class shall be excluded from Compensation Earnable, including but not limited to the following items, and others substantially similar to them:
- True Overtime (i.e., amounts paid for working in excess of the time required and ordinarily worked by others in the same grade/class) [Overtime that does not qualify as Mandatory or Scheduled Overtime]

 - Automobile Allowance, if the automobile is provided for personal use and the allowance is not paid in cash, whether or not declared as income, for members whose Final Compensation Periods (as defined in Section 9(a), above) **do not** include time before January 1, 2001.

Compensation Earnable Policy

- (c) Calculation of Compensation Earnable. The retiring employee's compensation shall be "regularized" to what would have been received had the employee been paid for a normal work schedule during the Final Compensation Period (as defined in Section 9(a), above). OCERS Staff will calculate Compensation Earnable [Earnable Salary] by creating a fraction, the numerator of which is the amount of the employee's qualifying compensation and the denominator of which is the number of ordinary work hours for which the employee was actually paid. The Staff will then multiply that fraction by the number of paid hours ordinarily required to be worked by others in the same grade/class. The result will be the retiring employee's Compensation Earnable for the Final Compensation Period.
